Assessment of Competency

Click on each Competency below and list the names of the courses from your academic record/transcripts that correspond to the Competency. Based on your transcript/academic record, indicate the total hours spent in each competency area. Your TCM program must align with the requirements referenced in the [Entry-Level Occupational Competencies for the Practice of Traditional Chinese Medicine in Canada](#).

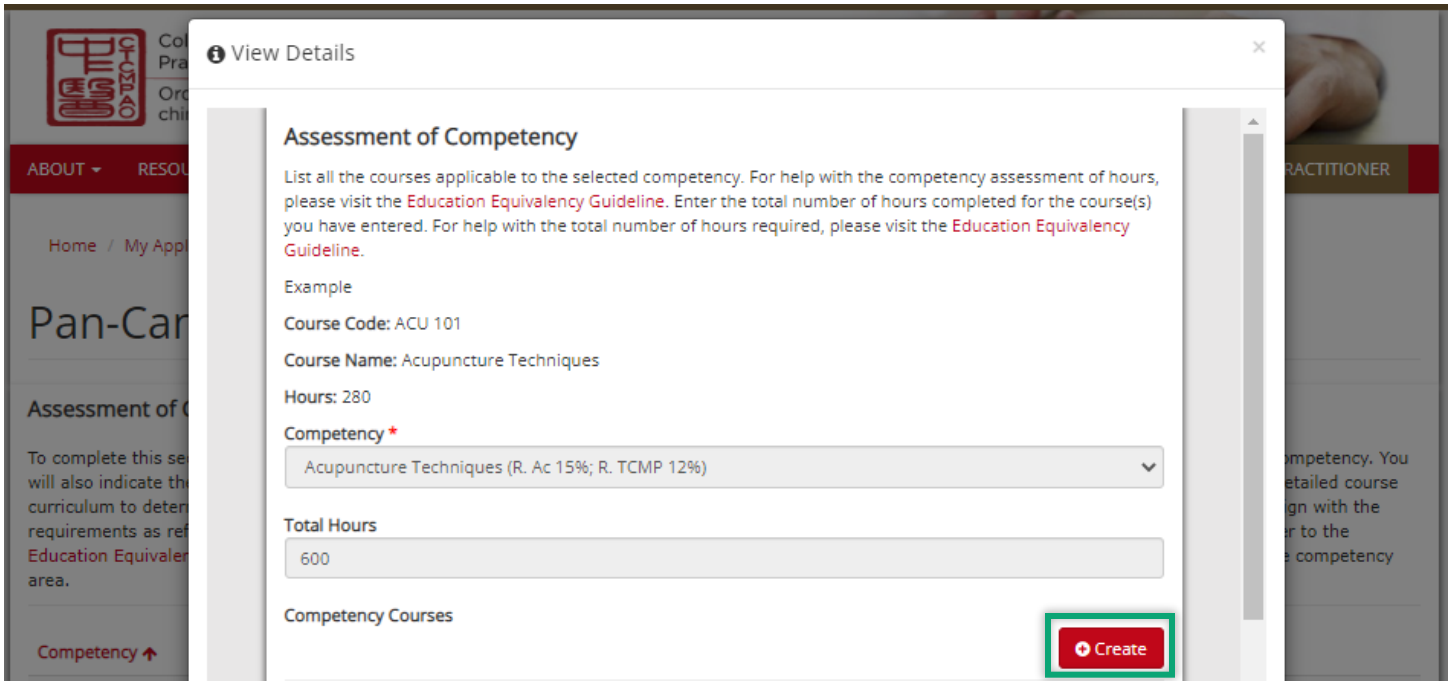

You may include any courses from your academic record/transcript that are aligned to the required competencies in the chart. If a course covers multiple competencies, you may add that course in each of the appropriate competencies. For instance, if Course A (30 hours) falls under Safety and also under Interpersonal Skills, you may add Course A (30 hours) under Safety and Course A (30 hours) under Interpersonal Skills.
