PROPOSED CHANGES	RATIONALE / COMMENTS
intended to reflect the practices of the College from April 1, 2012.	
Banking	The change in section 5 eliminates the need for this provision.
4. The Executive Committee shall appoint a Canadian chartered bank under the Bank Act (Canada) for the use of the College.	
5. <u>All money belonging to the College shall be deposited in the name of the College with one or more banks (which shall be a Schedule 1 or Schedule 2 bank under the Bank Act (Canada)(the “bank”).</u> All money belonging to the College shall be deposited in the name of the College with the bank.	This change sets the policy parameter that ensures the College’s money is deposited in a secure Canadian bank. Eliminating the need for the Executive Committee to select the bank (former section 4) reflects the fact that operational activities should be performed by the staff of the College in compliance with policy set by Council and committees.
6. The Registrar, <u>Deputy Registrar or other person authorized by Council,</u> may endorse any <u>cheque or other</u> negotiable instrument for collection on account of the College through the bank or for deposit to the credit of the College with the bank. The College’s rubber stamp may be used for such endorsement.	The additional signatories increases flexibility while ensuring appropriate loss prevention restraints are still in place.
7. Except for payments out of the petty cash fund, all College payments shall be made by cheques, drafts or orders for payment of money drawn on the College bank account.	This was deemed unnecessary. The operational function of how to make a payment on behalf of the College will be made by the staff of the College. The signing authority provisions will ensure that appropriate loss prevention restraints are in place.
Bank-Signing Authority	This adds the Deputy Registrar as a signatory.
8. Council from time to time may authorize, by resolution, officers or other persons, whether or not they are officers of the College, to sign contracts, documents, cheques and other instruments pertaining to the College’s bank account. In the absence of such a resolution, any two of the President, Vice-President, the Registrar <u>or the Deputy Registrar</u> and a member of the Executive Committee, are authorized to sign banking documents.	
Investments	This new section sets means that the Council will set the policy parameters for the investment of the College’s funds.
9. <u>All monies belonging to the College may be deposited or invested, within limitations set by Council.</u>	

Appendix 2

PROPOSED CHANGES	RATIONALE / COMMENTS
<p>Funds not immediately required by the College may be invested. The Executive Committee shall recommend for approval of Council the investment strategies and select an investment dealer to implement investment of the College's funds in one or more of the following securities:</p> <ol style="list-style-type: none"> 1. bonds, debentures, or other evidences of indebtedness issued or guaranteed by the Government of Canada, the Government of Ontario or the Government of any other province of Canada, provided that such province, at the time of investment, was rated by the Dominion Bond Rating Service as one of the three best rated provinces in Canada; 2. deposit receipts, deposit notes, certificates of deposit, acceptances and other similar instruments issued or endorsed by a Schedule 1 Canadian chartered bank. 	
<p>10. Council may authorize, by resolution, an officer or officers of the College to give directions to the investment dealer.</p>	<p>This requirement will be addressed in the Council policy noted in section 9.</p>
<p>Custody of Securities</p> <p>12. All securities owned by the College shall be lodged, in the name of the College, with a Canadian chartered bank or a Canadian trust company, or in a safety deposit box, or held in accounts with such brokerage houses as may be authorized by Councilthe Executive Committee from time to time. Any securities and other documents shall be placed or removed only by any two of the following: the President, Vice-President, Registrar, <u>Deputy Registrar</u> and a member of the Executive Committee.</p>	<p>This adds the Deputy Registrar as a signatory and requires Council to set the policy parameters instead of the Executive Committee.</p>
<p>Borrowing</p> <p>13. Council may by resolution</p> <ol style="list-style-type: none"> 1. borrow money on the credit of the College; 2. limit or increase the amount to be borrowed; and <u>3.</u> sell or pledge securities of the College for such sums or prices as may be deemed expedient; <u>and</u> 	<p>The addition reflects modern accounting language and ensures appropriate loss prevention restraints are in place</p>

<p>4. <u>charge, mortgage, hypothecate or pledge all or any currently owned subsequently acquired real or personal, moveable or immovable property of the College, including book debts, rights, powers, franchises and undertakings, to secure any such debt obligations or any money borrowed or other debt or liability of the College-</u></p> <p>Petty Cash</p> <p>15. The College shall have a petty cash fund of \$500 to pay for expenditure items where payment by cheque is not practical. The Registrar may authorize payment of expenditure items not exceeding \$500 from the petty cash fund.</p>	<p>This was deemed unnecessary given the later provisions related to the authorization of expenses.</p>
<p>Authorization of Expenses</p> <p>16. The President, Vice-President, or a member of the Executive Committee and Any two of the Registrar, the Deputy Registrar or the Director of Finance and a member of the Executive Committee- may approve purchases or leasing of goods and acquisition of services in accordance with the following provisions.</p>	<p>This adds the Deputy Registrar and Director of Finance to better reflect current practice, within the policy parameters set out in subsequent provisions.</p>
<p>17. The Registrar may authorize expenses not exceeding \$25,000 if the expenditure has previously been approved as an item in the College budget. All cheques or payments issued on behalf of the College in excess of \$25,000.00, excluding salaries, or such other amounts as may be determined by the Council from time to time, must be signed by one of the Registrar or Deputy Registrar and one of the President, Vice-President or such other person as Council may designate.</p>	<p>This adds the Deputy Registrar as a signatory. The additional signatories increases flexibility.</p>
<p>18. The Registrar and one of the President, Vice-President or a member of the Executive Committee may authorize expenses in excess of \$25,000, if the expenditure has previously been approved as an item in the College budget. All cheques or payments issued on behalf of the College not in excess of \$25,000.00, excluding salaries, or such other amount as may be determined by the Council shall be signed by any two of the following: Registrar, Deputy Registrar, Director of Finance, President, Vice-President, and any other such person as Council may</p>	<p>This increases the number of available signatories to include flexibility. It also ensures that the person to whom a cheque is payable cannot be a signatory of the payment.</p>

<p><u>designate, with the exception of the person to whom the cheque is made payable. At least one signature must be from the Registrar, Deputy Registrar or Director of Finance.</u></p>	
<p>19. <u>If the expenditure is not an item in the College budget, the Executive Committee shall review and make recommendations to Council for approval. The Registrar or Deputy Registrar may not make any payment where amounts or orders have been split to avoid the limit on purchases or where due diligence has not been exercised with respect to potential or actual conflicts of interest.</u></p>	<p>The original provision was deemed unnecessary given the new sections 17 and 18.</p> <p>The prohibition on splitting an expense ensures that the loss prevention measures contained in sections 17 and 18 cannot be circumvented.</p>
<p>Auditors</p> <p>21. The Council shall <u>annually at its annual meeting or at its first meeting afterwards</u> appoint an auditor to audit the accounts of the College and to hold office for the ensuing year.</p>	<p>This provides greater flexibility for the timing of the appointment of the auditor while still ensuring that Council shall do so at least once a year.</p>
<p>Indemnification</p> <p>22. Every member of the Council or a <u>e</u>Committee, employee, appointee or other duly designated representative of the College and <u>each of</u> their heirs, executors and administrators, and estate and effects, <u>respectively</u>, shall from time to time and at all times be indemnified and saved harmless out of the funds of the College from and against,</p> <p>1. all costs, charges and expenses whatsoever that he or she sustains or incurs in or about any action, suit or proceeding that is brought, commenced or prosecuted against him or her, for or in respect of any act, deed, matter or thing whatsoever, made done or permitted by him or her, in or about the execution of the duties of his or her office, and</p> <p><u>2.</u> all other <u>reasonable</u> costs, charges and expenses that he or she sustains or incurs in or about or in relation to the affairs thereof; <u>except such costs, charges or expenses as are occasioned by his or her own willful neglect or default.</u></p> <p><u>except such costs, charges or expenses as are occasioned by his or her own willful</u></p>	<p>Wording changes to clarify the meaning of the provision.</p> <p>This limits costs to reasonable expenses and costs and ensures that agents of the College are not reimbursed for willful neglect.</p>

<p><u>neglect or default. Where the person is a commercial service provider (e.g., a private investigator hired to conduct an investigation), the College has discretion as to whether or not to provide indemnity.</u></p>	<p>This permits the College to determine whether to indemnify service providers engaged on behalf of the College (this will usually be set out in the provisions of the service contract with such providers).</p>
<p>Execution of Other Documents</p> <p>23. <u>Deeds, mortgages and real property leases requiring the signature of the College shall be signed by the President or the Vice-President together with either the Registrar or the Deputy Registrar and shall be binding upon the College without any further authorization or formality. Council may by resolution appoint any officer or officers or any person or persons on behalf of the College either to sign deeds, mortgages and real property leases. All other contracts, documents or instruments in writing requiring the signature of the College may be signed by the Registrar together with one of the President, Vice-President or a member of the Executive Committee. All contracts, documents or instruments in writing so signed shall be binding upon the College without any further authorization or formality. The Council is also authorized from time to time, by resolution, to appoint any officer or officers, or any other person or persons, on behalf of the College either to sign contracts, documents or instruments in writing generally or specifically.</u></p>	<p>The additional signatories increases flexibility while ensuring appropriate loss prevention restraints are still in place.</p>
<p><u>23.1 Subject to section 23, all cheques and contracts may be signed by the Registrar alone in compliance with policies approved by Council from time to time.</u></p>	<p>This increases flexibility and better reflects current practice while ensuring that authorization for cheques and contracts complies with the policy parameters set by Council.</p>
<p>24. The term “contracts, documents or instruments in writing” as used in these by-laws <u>laws</u> is intended to include deeds, mortgages, hypothecs, charges, conveyances, transfers and assignments of property, real or personal, movable or immovable, powers of attorney, agreements, releases, receipts and discharges for the payment of money or other obligations, conveyances, transfers and assignments of shares, bonds, debentures or other securities and all paper writings.</p>	
<p>25. Except where otherwise provided by law, the Registrar may sign summonses, notices and orders on behalf of the College or any e<u>C</u>ommittee of the College.</p>	
<p>Election of Council Members</p>	<p>This is no longer required as this related to the transitional council.</p>

They could be a member of Council or Committee of a non-regulated health profession or a regulatory body for a health profession in another jurisdiction.</p> <p>This shortens “cooling off” period.</p> <p>Members engaged in legal action against the College will not be eligible to serve on Council.</p>
<p>40. The nomination shall be signed by the candidate and by at least three<u>five</u> (5) Members who support the nomination and who are eligible to vote in the electoral district in which the election is to be held.</p>	<p>This reduces the number of required supporters for a nomination.</p>
<p>Candidate’s Biography</p> <p>41. The candidate shall provide to the Registrar by the nomination deadline or such later date as the Registrar permits, biographical information in a manner acceptable to the Registrar for the purpose of distribution to eligible Members in accordance with the Bby- <u>L</u>aws.</p>	
<p>Administering Elections</p>	

Appendix 2

PROPOSED CHANGES	RATIONALE / COMMENTS
<p>44. The Registrar shall supervise and administer the election of candidates and, for the purpose of carrying out that duty, the Registrar may, subject to the by-Laws, 1.appoint returning officers and scrutineers; 2.establish <u>procedures and any necessary deadlines including procedures and deadlines relating to the receiving and sending of notifications, biographies, ballots and any other election materials</u>a deadline for the receiving of votes; 3.provide for the notification of all candidates and Members of the results of the election; 4.if there has been a non-compliance with a nomination or election requirement, determine whether the non-compliance should be waived in circumstances where the fairness of the election will not be affected; and <u>5. establish deadlines for any recounts and provide for the destruction of voting information</u>the record of ballots following an election; and - <u>6. Do anything else that the Registrar deems necessary and appropriate to ensure that the election is fair and effective.</u></p>	<p>This clarifies the Registrar’s responsibilities with respect to all related election information.</p> <p>This clarifies the Registrar’s responsibilities with respect to all related election information.</p> <p>This addition gives the Registrar the ability to make adjustments as needed to address unexpected events.</p>
<p>Voting</p> <p>46. Voting for elections of member to Council shall be by mail ballot using the ballot supplied by the Registrar. Except for an election in which the Registrar has declared a candidate elected to the Council by acclamation, the Registrar shall send every Member entitled to vote in an electoral district in which an election is to take place: a. <u>a list of eligible candidates;</u> b. <u>the means to cast a ballot; and</u> c. <u>instructions for voting.</u></p>	<p>This clarifies the Registrar’s responsibilities and modernizes the language to recognize the use of electronic election processes.</p>
<p>Tallying Ballots</p> <p>48. On the date of the election, ballots received on or before the deadline for receipt of ballots will be opened and counted by the Registrar. The Registrar</p>	<p>This modernizes the language to recognize the use of electronic election processes.</p>

PROPOSED CHANGES	RATIONALE / COMMENTS
<u>shall establish procedures for the tabulating of votes.</u>	
49. The Registrar shall certify the final vote tabulation <u>count</u> if he or she is satisfied that the votes were adequately counted.	This modernizes the language to recognize the use of electronic election processes.
50. Candidates or their representatives may be present when the Registrar counts the ballots and certifies the final vote count. The Registrar shall honestly and accurately report the vote counts in each election, record the results of each count and thereby determine the result of each election.	The deletion of the current section 50 modernizes the language to recognize the use of electronic election processes. The new section 50 clarifies the Registrar's responsibilities in reporting and recording election results.
Request for a Recount 52. A candidate may require a recount by making a written request <u>to the Registrar</u> and <u>paying the elections recount fee</u> depositing the sum of \$150 to the College with the Registrar no more than 15 days after the date of an election.	This clarifies the process.
54. If the recount changes the election result, the full amount of the <u>elections recount fee</u> deposit shall be refunded to the candidate. If the recount does not change the election result, the College will keep the deposit to partially offset recount costs, including staff time.	This uses the correct fee language and eliminates the unnecessary explanation of the fee.
Postal Disruption <u>Exceptional Circumstances</u> 55. If a material component of the election employs the use of Canada's postal system and if there is an interruption of mail service during a nomination or election, the Registrar shall extend the holding of nominations and election for such minimum period of time as the Registrar considers necessary to compensate for the interruption. In exceptional circumstances, the Registrar may modify any time period respecting elections as the Registrar considers necessary to compensate for the exceptional circumstances.	This modernizes the language to recognize the use of electronic election processes and gives the Registrar the ability to make alterations to the process to address unanticipated events.
<u>Minor Irregularities Not Fatal</u> <u>55.1 Council shall not declare an election result to be invalid solely on the basis of a minor irregularity regarding the requirements of these By-Laws or a procedure</u>	This provision supports previous sections that have permitted the Registrar to make changes to the process as necessary while ensuring that the election process is fair.
